## HEBRON POLICE DEPARTMENT

### Annual Report for 1997

In 1997 the Hebron Police Department received over 473 calls for services and information in addition to 911 Emergency Calls.

Vandalism was high on our investigations this past year. One case resulted in over \$40,000 in damages; those perpetrators have been charged and are awaiting trial in criminal court. We have made other arrests for Felony, Misdemeanor, Domestic Violence, D.W.I., Motor Vehicle and other violations. Motor vehicle accidents (18) this year were mostly collisions with deer and other animals. In the other collisions there were (3) personal injuries in addition to property damage.

Dog complaints have been increasing this past year and there will be more enforcement of the leash law if owners are not more considerate of their pets and neighbors' rights.

Our new In-car Video has been in operation for several months now and has proven its worth in one case where an arrested subject made a false claim but changed his mind when told it was on tape and recorded

We have appointed a new officer from Hebron, Mr. William Gabler, who will replace Mrs. Barbara Beaudry who has resigned to pursue her business career and homemaking commitments. We wish her well and thank her for her help, especially when there were women and children cases involved.

I wish to thank the good citizens of Hebron as well as the Selectmen and members of the Hebron Police Department for all their help and support this past year. The Hebron Police Department will continue to service the town to the best of its abilities and to keep Hebron a better and safer place to live and raise a family.

Respectfully submitted,

## HEBRON FIRE DEPARTMENT

### Annual Report for 1997

In 1997 the Hebron Fire Department responded to 110 calls. This compares with 116 calls in 1996, 95 calls in 1995, 87 calls in 1994.

The type of incidents breaks down as follows: 64 medical emergencies, 23 requests for mutual aid (2 were for medical aid), 2 forest fires, 1 forest fire rekindle, 3 chimney fires, 2 alarm activations, 1 outside fire, 2 trees on wires, 1 smoke investigation, 1 good intent call, 1 snowmobile through the ice, 3 kitchen stove fires, 1 LP gas grill fire, 1 illegal fire, 1 dishwasher fire, 1 electrical fire, and 2 calls for CO detector activations.

As of the close of 1997 we have completed one year providing ambulance service to the Town of Groton. As expected, this agreement works well and our department experienced no difficulty in providing coverage. Of the 64 medical emergencies we handled during the year, 21 were in the Town of Groton.

At present, the roster stands at 27 officers and firefighters. Most of these members are cross trained as both firefighters and emergency medical personnel. This gives the department the depth it needs to respond to various kinds of emergencies in a timely manner. My congratulations to Capt. Tony Albert and Pat Oakley who have completed the EMT Intermediate Course bringing our total number of Intermediates up to six.

For the first time in many years, our department was called upon to fight two forest fires. The first, off of George Road, was the result of fireworks. The second, started by lightning, was located between Veasey Road and Hobart Hill Road well in the woods. It took a mile of forestry hose and two days to stop this fire. While we have not had such a fire in more than 25 years, the preparations we have been making in anticipation of such an occurrence paid off. The four-wheel drive forestry truck with tank and pump built in-house over the last couple of years was invaluable. Purchasing new forestry hose over the last several years so that we have 1500 feet, enabled us to make an initial attack on the fire while Bridgewater brought another 2,000 feet and an additional 2,000 feet came from the state. The state also provided a foam system which we used on the second day to finally extinguish the fire. My thanks to those who labored long and hard to bring this operation to a successful conclusion.

Finally, I want to thank the community for the support it has given the department. Our success reflects your concern for the safety and well-being of our town and its people.

Respectfully submitted,  
John M. Fischer, Chief

## PEMI-BAKER HOME HEALTH AGENCY

### A Year of Many Challenges

1997 has been a year of intense challenges for the Home Care Industry. Since President Clinton signed the Balanced Budget Act of 1996 on August 5th, home care has received a tremendous amount of attention from federal legislators and regulators on proposals to alter the payment, structure and guidelines of the home care benefit under Medicare. These sweeping changes, coupled with the impact of Managed Care, have enabled the Pemi-Baker Home Health Agency to reassess its internal processes, program development and implementation and medical services offered to the community.

Services will be case managed in order to provide optimal assistance to those homebound patients who are unable to care for themselves while they are recuperating from an illness. Nothing about the quality of care will change but there will be decreases in the numbers of visits available to Medicare patients throughout the country. We are charged with caring for our patients and complying with new rules and regulations about how and when that care will be delivered. Our clinical staff has been working diligently to reorganize service delivery patterns. Administrative staff continues to proactively plan to take the necessary financial, technological, educational and procedural steps that will enable us to remain competitive and viable in the home health market. Pemi-Baker Home Health will continue to develop alliances with other not-for-profit home health agencies as well as other community health care facilities. Our future is collaboration and strengthening relationships with service providers in order to bring you the best care possible.

Our agency has had some major accomplishments over the past year. Several of our nurses have attained certificates in Hospice, Gerontology and other specialties. Staff at all levels receive ongoing training and education in the latest medical and management techniques. Skills are continually fine-tuned in order to bring our patients the most comprehensive care available in home health.

In July we celebrated our 30th year bringing home care to Plymouth and the surrounding communities we serve. We have not only grown in numbers and visits but in compassion, understanding and love of what we do in bringing these services to those we serve. Our programs have expanded and we will continue to focus on and improve upon the much needed care that is delivered to those of all ages in their homes.

Our second year of fundraising has been very successful and is helping to cover the costs of Hospice, Children's services and our Homemaker program. Funding is being reduced and some eliminated altogether but our community has joined together to help us continue to provide these programs. We wish to thank everyone who has helped make a difference.

There will be a new design to home care nationwide. The Pemi-Baker Home Health Agency will be a part of that design which will enable us to guide our own destiny into the 21<sup>st</sup> century of quality health care.

## **BRISTOL COMMUNITY CENTER**

### **Report to the Town of Hebron**

### **1997**

The Bristol Community Center has seen many changes during 1997. A new Director and Assistant Director, new handicap accessible bathroom and new kitchen appliances are among a few of them.

Leslie Dion was named the new Director of Recreation at the BCC in January of 1997. Dan MacLean was hired as the Assistant Director and began full time in June upon graduation from UNH. Dan has worked in the BCC Summer Program for 8 years and brings his enthusiasm and recreational expertise to our program.

We owe Freudenberg NOK a huge thank you for our new kitchen appliances. Through their generosity the BCC's kitchen has two new stoves, a refrigerator, washer and dryer and a fresh coat of paint. Those who have worked during our annual Apple Festival or on dinners will share in our gratitude to Freudenberg NOK.

Hebron Residents participated in many programs offered during 1997. They included Aerobics, Archery, Baseball, Basketball, Dances, Teen Open House, Karate, Open House, Senior League Baseball & Softball, Umpire Clinics, Badminton, Boy Scouts, Girl Scouts, Tot Time, SHARE, Swimming Lessons, Arts In Motion, Volleyball, Art Classes, Adult Basketball, Summer Camps, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Haunted Hike, Soccer, Gymnastics, Hang Time Hoop Camp, TOPS, Tai Chi, Craft Classes and Celtics and Red Sox trips.

A new program offered this year was the Kindergarten Basketball program for children ages 5 or in Kindergarten. It is a fun and instructional program and was well attended in its first year. Another new program this year is Beginner Gymnastics for ages 3 & up. We have purchased a balance beam and mats and offered six classes per week. Our hope is to add a piece of equipment each year.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. Many of our programs and practices are scheduled outside of the BCC in the local schools. We appreciate their understanding of the importance of recreation to the Newfound Community and their willingness to open up the buildings for us. Our Basketball program has grown to 240 participants, which is double what it was in 1993. We would never be able to accommodate these numbers without the additional use of the schools.

Our Summer Camp program has also grown over the past few years. We serve over 100 children each week at our Summer Camp. The program is offered for children grades 1-8 and we are forced to turn many away as the sessions fill so quickly. Some of the places visited by the camps are Mount Washington, Whales Tale, Clark's Trained Bears, Wallis Sands State Beach, Canoe Camping on the Saco River, Camping on Belle Island, Canobie Lake Park and the Christa McAuliffe Planetarium. We thank the Bristol Rotary Club for providing \$1,400

in scholarships for children wishing to attend camp with financial hardships. We encourage people to register early so they do not miss out on this great summer activity.

We thank all Hebron residents who participated in our programs, supported our fund-raisers, volunteered in our youth sports leagues, or worked on our many special events. Santa's Village saw over 1,200 people this year and we appreciate the many Hebron residents that volunteered, donated money, baked cookies, let us borrow their elves and attended this special area tradition. A special thanks to RP Williams for their generous support of this event.

As the BCC ends its 51st year we are grateful for the wonderful Newfound Community in which we live and work.

Respectfully submitted,  
Leslie Dion  
Director of Recreation

## **GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.**

### **Annual Report 1997**

Grafton County Senior Citizens Council, Inc. works through its local programs to support the health and well-being of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain community based long-term care services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1997, 22 older residents of Hebron were able to make use of one or more of GCSCC's services, offered through the Plymouth Regional Senior Center. These individuals enjoyed 234 balanced meals in the company of friends in a senior dining room, received 430 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 32 occasions by our lift-equipped buses, were helped through 48 visits by a trained social worker and found opportunities to put their talents and skills to work for a better community through 220 hours of volunteer service. The cost to provide these services for Hebron residents in 1997 was \$4,089.92.

Community based services provided by GCSCC and its many volunteers for older residents of Hebron were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Hebron community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin  
Executive Director

## PEMI-BAKER YOUTH & FAMILY SERVICES COUNCIL, INC. 1997 Annual Report

The Pemi-Baker Youth & Family Services Council, Inc. is an organization that is dedicated to promoting community-wide approaches which aid in the development of healthy youths and their families. The Council currently coordinates six programs which are available to people in Eastern Grafton County (Lincoln to Alexandria):

1. **Juvenile Court Diversion** - a voluntary program for first-time juvenile offenders which holds them accountable for their actions without going to court. The process involves the participants with volunteers from the community who develop a contract with each youth and his/her family. Contracts may include community service, referrals to other agencies and programs, personal development tasks, etc. We have found that, of the youths who graduated from Diversion in 1995 and 1996, 92.5% have not committed a subsequent offense since, saving tens of thousands of dollars in court-ordered services.
2. **OSS (Opportunities for Suspended Students)** - Based on the Juvenile Court Diversion model, the Council has begun a pilot program to work with students and their families from Plymouth Regional High School who are at-risk of losing course credit due to repeated suspensions. This community-based approach connects families to services in the region which help the students and families develop their strengths.
3. **The Challenge Course** - a 15-hour early intervention program for teens which focuses on issues around alcohol, tobacco and other drugs. Courses are nonjudgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use or stop using entirely. Additional topics of discussion include high-risk behaviors and HIV/AIDS education.
4. **The Rated PG Program** - a program for parents and guardians who would like to learn more about alcohol and other drugs and how to talk with young people about these subjects. It also provides information on what they and their children can do to reduce the risk of ever experiencing an alcohol-related health or impairment problem.
5. **OCTAA (On Campus Talking About Alcohol & Other Drugs)** - offered in cooperation with local police departments and Plymouth State College, OCTAA provides an effective educational opportunity for anyone between the ages of 18-21. This is also a lifetime risk-reduction program on the use and abuse of drugs.
6. **Information and Referral** - provides area residents with a clearinghouse of information on regional human service agencies and programs. People with a variety of needs can receive free and confidential assistance on how to access these resources. Callers in the past have requested information on how to report suspected child abuse, how to access public assistance or

counseling services, where to find after-school activities for children, etc. The Council also distributed 750 comprehensive *Guide to Community Resources* in 1997 to help towns, police, schools and other human service providers find services for the people they work with. A more extensive guide will be published in February of 1998.

Total service figures for the Council in calendar year 1997 are as follows:

Juvenile Court Diversion .....	25
OSS Program (began 11/97) .....	4
Challenge Course .....	28
Rated PG (began 10/97) .....	6
Information and Referral .....	166
8th Grade Conference .....	200

## HEBRON GAZEBO PROGRAMMING

### Summer 1997

The Coordinators of the Gazebo Programming, Everett Begor and Jane Ramsay, organized five events at the Gazebo on Sunday afternoons for the summer of 1997. On June 22, the Buskers performed and sang a concert of music ranging from folk to contemporary songs on a number of instruments. July 13 brought representatives from the five Hebron summer camps to sing, play instruments and do skits. The Campers were treated to homemade cookies and refreshments, and the audience enjoyed the free popcorn which was donated for that and the rest of the programs. On August 3, The Carter Mountain Bluegrass Band played to over 200 people who enjoyed their lively music. On August 24, the Hebron Historical Society sponsored the Good Old Plow Trio who told about the early days of hill towns and the decline of the farming in those small communities and sang songs to go along with the history. The final program was a Family Fun Day which took place, in spite of the drizzle and threat of rain, on September 7. The magician, B.J. Hickman, entertained, Biff Wisner gave a dog training exhibition and ran a fun dog show, games of basketball, croquet, and cribbage were held, and Dave Lockwood's band, Raccoon Beach played. At dusk, Jack Bradley from Warren, set off a display of fireworks from the Library lawn which were enjoyed by the people in the gazebo and on the Hebron Common to end the day and season. All the programs were well attended with an average of about 150 people coming for part or all of each of the programs. The Family Fun Day did not have as many people as we had hoped, but the weather did not cooperate, and the idea was new, and we hope more people will take part another year.

The coordinators wish to thank the people of Hebron who voted to support the programs, and the other people who donated money, their time, and their enthusiasm, making the 1997 summer series a success. We have started a tradition of fellowship and good family entertainment in the Hebron gazebo, and we hope to continue with programs for the summer of 1998.
